PROFESSIONAL SUMMARY

I bring strong organizational, communication, and time management skills developed in fast-paced customer service and hospitality environments. I'm tech-savvy, quick to learn, and comfortable using Google Workspace, Microsoft Office, Trello, Canva, and ChatGPT to stay organized, manage tasks, and support daily operations. I take initiative, pay close attention to detail, and enjoy helping teams stay productive and efficient. I'm committed to producing high-quality work and continuously improving my skills. You will not regret making me your Executive Assistant.
